PROFESSIONAL SUMMARY

Senior Data Analyst (Manager I) at ICICI Bank with 3.5+ years delivering analytics, reporting, and compliance governance across enterprise fund accounting platforms serving Mutual Fund, AIF, and Insurance clients. Alongside full-time work, I freelance as a full stack web developer — building custom websites, e-commerce stores, and web applications end-to-end for clients in the UK, US, and India.

WORK EXPERIENCE

Senior Data Analyst ▲ Promoted

Apr 2025 – Present

[ICICI Bank](#) · [Hyderabad, India](#) · [Manager I Grade](#)

- Own Oracle BI Publisher reporting suite end-to-end — **10–15 production reports** (AUM, NAV, Income Distribution, Portfolio Holdings) used by operations, finance, and audit
 - Author complex Oracle SQL (CTEs, window functions, multi-table joins) for NAV validation, reconciliation analysis, and RBI regulatory evidence
 - Sole decision-maker for Production-to-DR failover — full environment switchover within **40 minutes, zero data loss**
 - Triage 50+ production issues via Oracle DB log analysis, transaction data flow inspection, and application diagnostics
 - Coordinate multi-level approvals across 8+ teams (Business, Vendor, DBA, Infra, Security, Network, Middleware, Compliance)
- Oracle SQL · Oracle BI Publisher · Power BI · Python (pandas) · JIRA · REST APIs*

Data Analyst
